MANNERS PINE TREE LODGE WOOD: (by C. H. Manners)

The Chinese Lunar Calendar is the world's oldest chronological record dating from 2637 B. C. It is based on the cycles of the moon. The spirit of each New Year is characterized by an animal of the Chinese zodiac. 1990 has been the year of the horse. The year of the horse promises to be a lively spirited year for all. Fast paced, freedom of movement rewarding but exhausting, hectic. Reckless, impulsive, tempers flare, but good humor prevails, active productive. A year for being bold. Seeking new challenges, striking out on your own. Economy on the upswing. How better to commemorate Shilling Day in New Lyme, Saturday December 8, 1990, than to give away a wooden coin with a horse on it. Since 1964 Manners has been using work horses to transport cut-your-own Christmas tree customers into the fields. During the height of the season up to 12 teams of horses are used. Yearly requests come from all parts of the United States and Canada for this wooden coin. Past coins have been issued to depict events of importance in the Manners family. There is no charge for this wooden coin, just a self-addressed, stamped envelope sent to: Manners Pine Tree Lodge, Box 3, New Lyme, Ohio 44066 U. S. A. This year all request envelopes will be hand cancelled at the New Lyme post office.

"WOODN'T" YOU LIKE TO KNOW? Robert J. Savoy of Box 77, RR # 2, Newcastle, N. B. E1V 3L9 has sent along some information to share with other members of CAWMC.

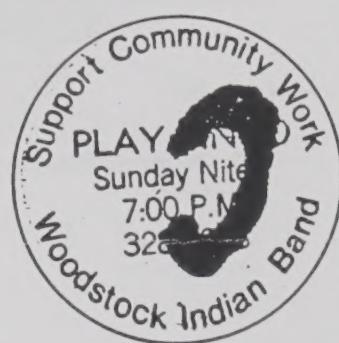

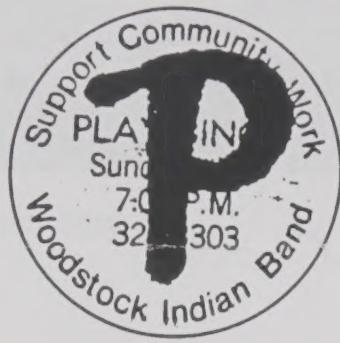

New Oldie: In 1984 R. A. (Bob) Rudderham of Mosher Motors Ltd., Bridgewater, N. S. issued 1000 wood and has only a few left. The wood is black on both sides.

An 1989 wood wood was issued by Sydney Mines, Nova Scotia. There were 500 issued, hot-stamped blue.

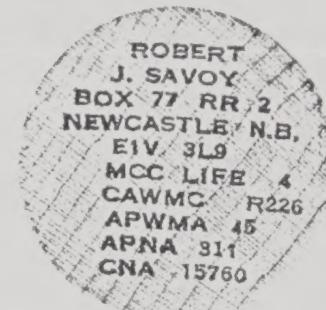

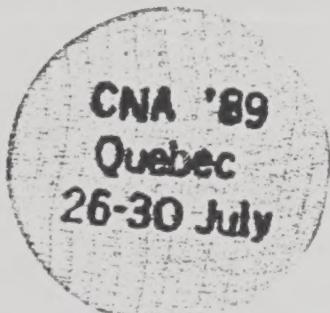

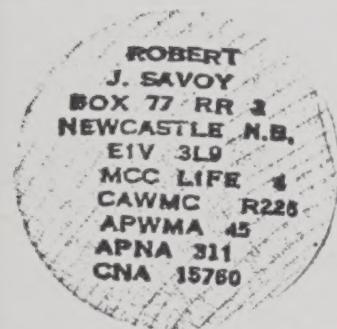

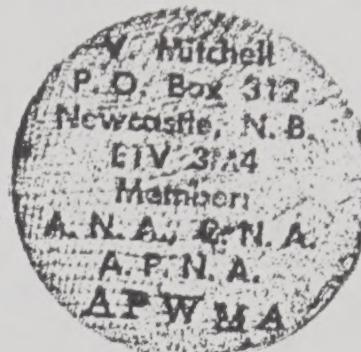

Why does the Woodstock, N. B. (Indian Band) have a blue 'P' and a red 'C' on their reverses? A few years ago during a work grant they were used as tokens at the canteen. The 'P' was good for a pop and the 'C' was good for a bag of chips.

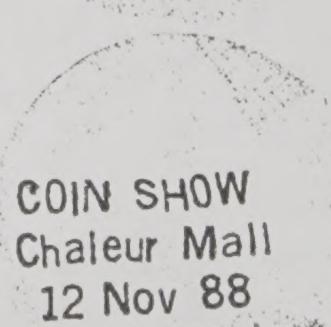

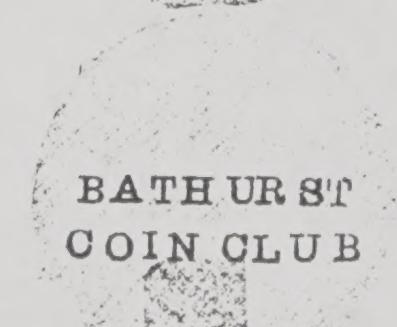

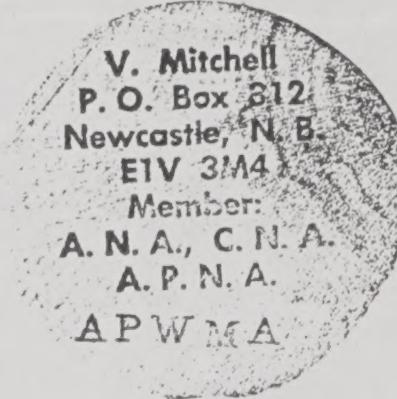

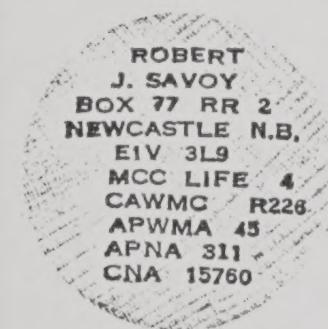

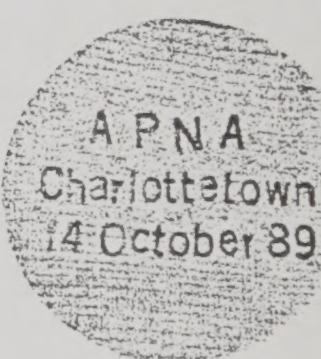

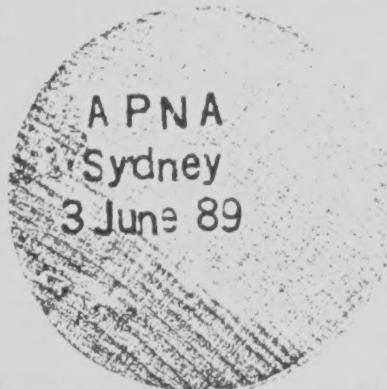

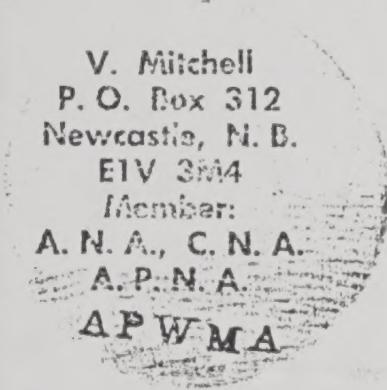

Bob also advises that the 1983 Saint John, N. B. wooden nickel was never issued and you should remove it from your want list. It is listed as AC1700-25 in the Wooden Money of Atlantic Canada.

1989 CNA WOOD: Bob also advises of the color and mintages of three CNA '89 wood. Mark McLaughlin issued 80 printed in black. V. Mitchell issued 120 printed in green. Bob Savoy issued 125 printed in red/black. They are shown below in case you missed them. Bob also has a personal wood issued in red/green which is shown on the lower right.

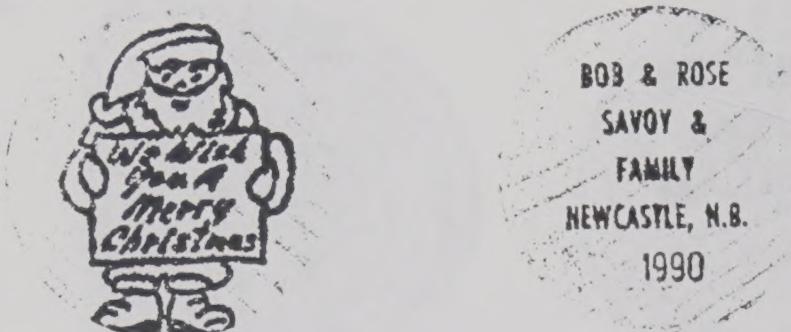

Bob also sent along six other wood which are shown below.

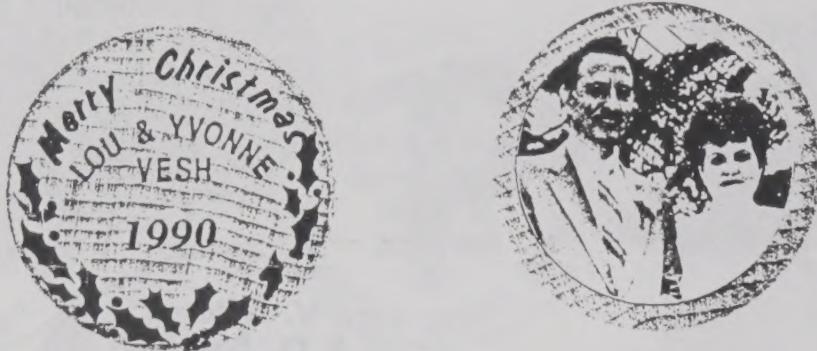

FOR SALE: Bruce Watt advises that The Oshawa and District Coin Club issued 250 woods for their 30th Anniversary. The wood is being sold at 75¢ each or 6 - \$5.00. Please write: Oshawa and District Coin Club, Box 212, Oshawa, Ontario L1H 7L1. The woods are hot-stamped red and aquamarine(?). See photocopy below.

CHRISTMAS WOOD: Bob and Rose Savoy of Box 77, RR # 2, Newcastle, N. B. E1V 3L9 have issued a Christmas wood stamped in green and red.

CHRISTMAS WOOD WITH A DIFFERENCE: Lou and Yvonne Vesh have a unique Christmas wood. On one side they wish you a Merry Christmas and on the other is a colored photograph (yes, a photograph) of Yvonne and Lou. Lou keeps coming up with these personalized touches for his wood!

THE DIGGER STRIKES AGAIN! Not only does Al Munro unearth new wood (or old wood) in his backyard, he finds them from all over. One he recently acquired is from Lucan, Ontario. The Stirling Gas Bar wood is printed in red and blue.
